Notes from the Council Table

Qaxtna!

2017 is in full swing and we have started off the new year with many great things happening.

As you may know, last year we appointed 11 Tribal members to the Constitutional Amendment Committee. They have been working diligently to look for ways to improve our Constitution. At the General meeting on January 21, 2017, the committee presented an update to the membership on the status of their work. They advised that we would need to hold a special election to remove the Secretarial process from our Constitution. This process is in the works and the committee is attempting to complete this prior to our regular election which will be held on June 10, 2017. We look forward to hearing the committee's recommendations on further changes and updates to our Constitution. They have put a tremendous amount of time and effort into this very important project and we appreciate their service to our Tribe.

As of February 1, 2017, the revisions to Title I – Courts, Title II – Criminal Procedure, Title III – Criminal Offense, Title V – Child Welfare, Title VII – Traffic, and Title XXII – Sex Offender Registry went into effect. The final Criminal codes can be found on the Tribe's website or you can obtain a copy by contacting Tribal Courts. The changes to these laws will allow us to implement the Tribal Law and Order Act and the Violence Against Women Act. These are very important codes that will have a profound impact on our community and the safety and well-being of our families and neighbors.

As part of the implementation of the Tribal Law and Order Act and the Violence Against Women Act, we are required to hire a Public Defender. We advertised for this Contract position and received applications from 5 highly qualified and experienced attorneys with vast experience in defense work. We selected Mr. Morris "Michael" Haik as the public defender and we selected Ms. Margaret "Maggie" Simon as the assistant public defender. Both Mr. Haik and Ms. Simon are great additions to our team. We look forward to them serving our community in this capacity.

Recently, there has been some concerns about our Tribal Laws regarding operating ATVs and other similar motorized vehicles on Tribal roads and property.

We have heard your concerns and see ways to improve or update this law. We are currently working with the Tribal police to draft revisions to these laws which will be beneficial and safe for all reservation residents.

Recently, we received notice that our Tribal School has been classified as an "A" rated school. While our school has always done very well, we are very pleased that it continues to be one of the **best**. Our students are our future and our most important asset and we will continue to do everything we can to ensure that they get the best education possible.

This month, Councilman Jacob Darden and I, along with several staff members attended the annual Impact week meeting in Washington, D.C. hosted by the United South and Eastern Tribes. This meeting is focused on Tribal leaders and Tribal representatives meeting with our Nation's leadership to discuss issues critical to Indian Country. We met with leaders of the Senate Committee on Indian Affairs, Department of Interior, National Congress of American Indians, Indian Health Service, the Bureau of Indian Affairs, and representatives from the Native American Rights Fund, just to name a few. One topic of discussion was how the new Presidential administration would impact Tribal Nations. We feel that it is important to participate in these discussions so that the voice of our people are heard at the highest level.

While we attended this meeting some of our students also traveled to Washington D.C. to participate in the Close-Up program. They spent the week visiting monuments and museums, learning how our federal government functions, spending time with students from other Tribes, and many other things. Barry Moneaux, Raine Darden, Amanda Vilcan and Toni Vilcan, along with their chaperone, Scholarships & Enrollment Coordinator, Megan Persilver all represented our tribe well and made us proud.

It's Mardi Gras time… On February 24, 2017, the Chitimacha Tribal School will host the annual Mardi Gras Ball at 6:00 p.m. The annual Mardi Gras Parade will be held on Saturday, February 25, 2017 at 1:00 p.m. I know that our royalty and students are excited to participate. Please try to come see the parade. The Cultural Department and volunteers have worked very hard to make sure the parade goes well.

In conclusion, the Tribal Council will continue to work with our Tribal Administration and our enterprises on improving our community and protecting our investments for a secure future. As always, we appreciate your continued prayers, patience, and support.

Nito,

April Wyatt, Your Tribal Vice Chairman

JCARD is a special team of local law enforcement officers whose main focus will be responding to child abduction cases in the area.

While we always hope that the newly formed JCARD Team will never have to deploy, we believe it is vital to continually train with surrounding Law Enforcement Agencies and be prepared to rapidly respond in the event a child in the area would be abducted.

Next, seventh graders will be studying the Jefferson Era. Students will learn about the presidency of Thomas Jefferson, the Louisiana Purchase, the challenges the United States faced at home and abroad.

Eighth graders are currently working on completing a unit on the Civil War and Reconstruction in Louisiana. KEEP UP THE GREAT WORK!!

Recreation News

Soccer: Fall sports at Recreation were a blur. Our soccer season went without one rainout which means it sure was hot! Kids had a great time and the season flew by. We participated in three different age groups which included: 5-6 year olds, 7-8 year olds and 9-12 year olds.

Football: Football season followed really quick behind with only one week to organize. Football dads are always helpful and this year was no different. Our flag football teams also consisted of three age groups. Games went extremely well. The only disappointment in football was that we were unable to serve hot chocolate. The season was a hot one without any cool nights. Thanks Dads for all your help!

Girls' Jr. High Volleyball: This year brought a new fall sport to CTS, Girls' Jr. High Volleyball. We were a little apprehensive about participating with the parish schools with it being our first year but the girls stepped up and met the challenge. It was so much fun and I think it is a sport we will keep! A big thanks goes out to Alyssa Hidalgo, our volleyball coach.

Girls' Jr. High Basketball: Also new to CTS was girls' junior high basketball. Although we were not brave enough to jump into the parish rotation, we did schedule games and had a great learning experience. Next year, we will be "ALL IN"! The junior high girls continued their play in our Recreation league playing against a combination of girls. Thanks goes out to Nick and Cassie Dossey for coaching our girls. It has been a blast!

Rec Basketball: Our Recreation basketball league included our K-1 boys and girls, 2nd-4th boys and girls and 5th-8th boys as well as our 5th-8th girls.

Spring Ball: Gearing up now is our junior high fast pitch girls and our 9-10 fast pitch team. The junior high girls will participate in the parish rotation just as we did last year. Our 9-10 girls, along with our 7-8 girls, will participate in the Recreation league between Chitimacha and Patterson teams. Our 7-8 boys will begin soon and will participate in Chitimacha, Franklin and Patterson leagues. Our 9-up boys will be dispersed among various teams in the Franklin league.

Dance: Set your calendars for our Chitimacha Dance Recital on Thursday, March 9, at 6 PM.

Cypress Bayou Casino has graciously offered us the stage in the Pavilion with a light and sound tech. to make our performance even better. Our costumes are in and they are off the hook precious! So plan on attending. Make sure you enter at the Hotel entrance and follow the kid-friendly path to see the show. We promise you, it's going to be a hit! Cookies and cold drinks will be served following the performance.

Pool: Looking ahead, the pool will open mid-late April.

Summer Day Camp: Our Summer Camp dates have been set so save the date: Registration will be held April 3-13, with the 6 week camp beginning on June 12 and ending on July 20. Kids eligible are entering 1st through entering 8th.

Track and Field: Track and Field is starting with meets to be held during the month of March on Tuesdays. If you can, come out and support us.

Be sure to glance at the marquis for the latest information in Recreation.

TLOA (Tribal Law and Order Act):

In accordance with the Indian Civil Rights Act (ICRA), the maximum sentence for each felony offense was limited to a one (1) year term of incarceration and a fine in the amount of $5,000.00. Under the new **Tribal Law and Order Act (TLOA),** a Tribe may impose a more severe sentence of **three (3) years incarceration per offense, $15,000.00, or both, with a maximum penalty of nine (9) years in jail, $45,000.00, or both.**

VAWA - (Violence Against Women Act):

The Violence Against Women Act allows the Tribe to exercise criminal jurisdiction over non-Indian defendants for violent criminal conduct against spouses or partners, subject to limitations and requirements. The non-Indian defendant must have significant ties to the Tribal community, i.e., reside or work in the Tribe's Indian country; or be a Tribal member's "intimate partner."

The grounds for enforcing VAWA against a non-Indian defendant is: 1) criminal conduct must occur on Tribal lands; 2) the crime must be committed against an Indian; 3) deemed an act of domestic or dating violence only; and 4) violate any jurisdiction's protective order.

For any term of imprisonment, The Tribe must provide the following TLOA protections: 1) licensed/law trained judges; 2) licensed counsel for indigent defendants; 3) record of criminal proceeding; 4) publish laws, procedures, rules of evidence to the public. Other provisions would require a trial by jury that reflects the community demographics to include non-Indian jurors.

ENHANCED SENTENCING JURISDICTION:

To impose enhanced sentencing jurisdiction provisions, the defendant must: 1) have been convicted of the same or similar offense before by any jurisdiction in the United States; or 2) is being prosecuted for a felony level offense or comparable offense punishable by more than one (1) year imprisonment.

To enforce enhanced sentencing, the Tribe must provide: 1) licensed/law trained judges; 2) licensed counsel for indigent defendants; 3) record of criminal proceeding; 4) publish laws, procedures, rules of evidence to the public.

PUBLIC DEFENDERS:

The Chitimacha Tribal Council appointed Morris "Michael" Haik, III to serve as Public Defender and Margaret "Maggie" Simon to serve as Assistant Public Defender to represent individuals in cases involving the Tribal Law and Order Act and Violence Against Women Act. They were sworn in by Hon. Charles L. Porter, Chief Judge on February 8, 2017.

Below are the revised penalties and limitations as outlined in Title III, Chapter 8, Sec. 801 of the Chitimacha Comprehensive Codes of Justice.

CHAPTER 8. PENALTIES AND LIMITATIONS

Sec. 801. **Penalties.**

(a) Crimes are divided into the following four (4) classes and, unless otherwise specified by the Code, each class is subject to the following penalties:

(1) **Enhanced Felony**, for which a maximum penalty of imprisonment for three (3) years, a fine of up to Fifteen Thousand Dollars ($15,000), or both, may be imposed.

(2) **Felony**, for which a maximum penalty of imprisonment for one (1) year, a fine of Five Thousand Dollars ($5,000), or both, may be imposed.

(3) **Class A Misdemeanor**, for which a maximum penalty of imprisonment for six (6) months, a fine of up to One Thousand Dollars ($1,000), or both, may be imposed.

(4) **Class B Misdemeanor**, for which a maximum penalty of a Five Hundred Dollars ($500.00) fine may be imposed.

(b) In addition to imposing a sentence as set forth above or as specifically provided in the Chitimacha Comprehensive Codes of Justice, the Chitimacha Tribal Court may order the person convicted to make reasonable restitution and/or apology to the victim(s) of the crime or offense.

(c) Any person violating a provision of this title, for which a penalty is not specifically provided, shall be guilty of a Class B Misdemeanor.
